## IV Sedation Instructions

- Nothing to eat or drink for 8 hours prior to sedation (except clear water up to 2 hours prior).
- Take your usual daily medications with a small sip of water (consult with your doctor if you are diabetic).
- Your driver needs to check-in with you, drive you home, and monitor you while at home.
- Minors (<18 years old) must have parent or legal guardian present.
- Bring your inhaler if you have asthma.
- Bring a list of your medications and any important medical documents such as medical clearance.
